Be vocal about local

REPORT ON AATMA-NIRBHAR BHARAT ABHIYAN BY KMC NCC-CADETS

Ex-US President Barrack Obama rightly said, "When disaster strikes it tears the curtain away from the festering problem that we have beneath them."

The Covid-19 pandemic has created a new normal. Moreover, it has taught one of the most important virtue of being self-reliant. With the indigenous production of PPE kits, ventilators, hand-made products, etc. we have realized in these hard times our local products and people have come forward as our saviour.

In an attempt to educate and promote this call for '**Vocal about Local'** KMC-NCC cadets have come forward to spread this campaign socially by performing following activities:

- Posters were made by NCC cadets and shared on their whatsapp status, facebook, Instagram stories to spread social awareness regarding the campaign 'Vocal about local'.
- Uploaded youtube video to spread positivity in COVID times and giving ideas to society on efficient use of available materials in a sustainable manner, and thus spreading the call for self-reliant India that is Atma- Nirbhar Bharat.
- Link to the video : https://youtu.be/sGHLqI33B9I
- Be Vocal about Local' pledge was taken by each and every cadet for which e-certificates were also provided.

- A webinar was organized on 15th August with the theme of self-reliant which was marked by the presence of 160 NCC cadets from different colleges along with Associate NCC Officers.

- A poster making competition and Innovative-Idea giving competition was also held on online platform which saw participation on large scale.
