

UNNAT BHARAT ABHIYAAN

FIELD VISIT TO ADOPTED VILLAGES

On February 19, 2020 team under **UNNAT BHARAT ABHIYAAN** of Kirori Mal College visited adopted villages of Bulandshahr district. In Sahaipur and Rudri village, the team met the women folk and apprised them of the health and personal hygiene particularly during menstruation. The awareness drive was carried out in association with Vyomini – an initiative of Woman’s group. About 100 women in village Sahaipur and around 50 in Village Rudri interacted and raised queries related to menstrual health management. Sanitary Pads were distributed free of cost to the participants. Two anganwadi centres were also visited where the children were engaged in various activities

The team carried out Geographic Information System Mapping using GPS in the villages to identify the facilities and civic amenities. Anganwadi centres, schools and available medical facilities were mapped. The introduction of vermi-composting in the agricultural field was discussed with the youth of the village. The team also visited Local Government Hospital and Kailash hospital to understand the main local diseases and medical problems faced by local Villagers.
