

Kirori Mal College

Syllabi for the GE Courses offered in Semester I

Students can find the Generic Elective Courses Syllabi on the Delhi University Website at

<http://www.du.ac.in/index.php?page=revised-syllabi-ug>

For Physical Education look at

http://www.du.ac.in/uploads/Revised_CBCS_18/UG/26102018_Phy_Edu.pdf

Go to the Honours course syllabus of the department, which is offering the GE course and within that document look for the pages where GEs are mentioned. For example, if you are looking for the syllabus of Chemistry GE, go to the BSc Chemistry (Honours) document and look for the pages with GE courses (generally towards the end of the document). For Mathematics a separate document for GEs exists.

Below we have mentioned the page numbers of the respective documents (Honours course syllabus) of each department on which you will find the GE course offered by us in Semester I.
