Dear Dr. Ruchi Sharma,

The reason behind writing this email is to convey our gratitude to you for your hard-work to conduct Spoken Tutorial software training in your institute. We truly appreciate your efforts taken towards providing this software training opportunity to the students of your institute to enhance their skills and get certificates.

I'm looking forward to continuing to work together with you in the new academic session too.

PFA Appreciation letter for your wonderful contribution towards Spoken Tutorial Project.

Thanks And Regards,
