Dear Dr. Suman,

As you might be aware the country is celebrating the Azadi ka Amrit Mahotsav (AKAM) to celebrate and commemorate 75 years of progressive India and the glorious history of its people, culture and achievements. These celebrations commenced on 12 March 2021 which started a 75 week countdown to our country's 75th anniversary of Independence and will continue till 15th August, 2023. (for details, please see <https://amritmahotsav.nic.in>)

2. As part of these celebrations, we are also endeavouring to recall and remember forgotten heroes of our freedom struggle, many of whom might be renowned yet unknown to the new generation. The aim is to collect and bring forth stories of millions of our Unsung Heroes, which lay as faded memories of the past, to serve as an inspiration and encouragement for the coming generations. A modest beginning in this direction has been made by creating a dedicated page for the Unsung Heroes on AKAM website (Please see: <https://amritmahotsav.nic.in/unsung-heroes.htm>).

3. In this connection I am inviting you to join us in our effort to discover, document and publish stories of Unsung Heroes of our freedom struggle from the UT of Delhi. We are sure that with your expertise and knowledge of the subject, you would be able to make a significant contribution.

4. We propose to complete this exercise in a time bound manner of three months (from 1 November 2022 to 31 January 2023), and expect a minimum of 200 such stories (with pictures, where possible) from you. As a token of appreciation for your contribution, we shall pay an honorarium of Rs. 75,000/- to you. In addition, you may also engage two Research Assistants for three months, at a monthly stipend of Rs. 15,000/- each, which would be in addition to your honorarium. A lump sum contingency grant of Rs. 10,000/- per Research Assistant can also be claimed by them as reimbursement as per the actual travel related expenditure incurred by them at the completion of this project.

5. These stories should be exclusive of the published compilations/ books as well as those already available AKAM website, and should be based on verifiable evidence. (Please see the attached guidelines for submission of the stories).

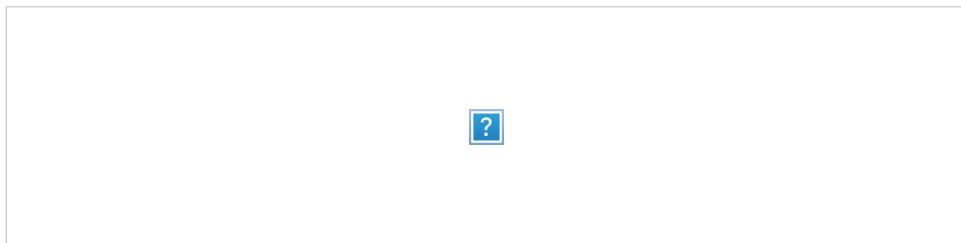

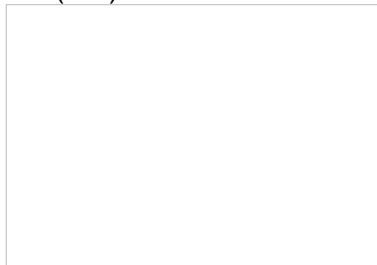

6. I am sure that you would be able spare your valuable time for this project. In any case please do let us know by the return mail, together with your current designation and phone number.

I look forward to hearing from you in this regard,

With best regards,

Sanjay Garg
