

# **FINE ARTS AND PHOTOGRAPHY SOCIETY**

## **ANNUAL REPORT (2019-20)**

The **Fine Arts and Photography Society (FAPS)**, Kirori Mal College, is a body of budding artists striving for excellence in the eponymous fields. Besides imparting practical knowledge in the fields of fine arts and photography, the society endeavors to maintain its position as one of the best cultural societies within the country. It is worth mentioning that the post holders' as well as the members' consistent efforts has helped in carrying on the legacy of the society. The session of **2019-20**, has gone remarkably well under the excellent supervision of **Ms. Geethanjali Kher** as the society's convener. The society had a total of twenty-five members pursuing different courses in this session.

### **Events**

- 1. General Trials:** The students of the college were provided an opportunity to be a part of the society through the general trials. Approximately fifty candidates appeared for the trials and four were selected through critical rounds of evaluation and screening so as to maintain the level of the quality of work that is expected by a member of FAPS.
- 2. Freshers' Talent Show:** The society organized its annual Freshers' Talent Show on the 20<sup>th</sup> of September 2019, showcasing the skills of the new members through an exhibition. The theme of the exhibition revolved around the contemporary plastic waste problem. The society put up a remarkable yet grotesque installation which was symbolic of the theme and aptly named as 'The Hurling Heaven'. This year saw the entry of six artists and four photographers to the FAPS team. The exhibition was graced by the presence of the college's principal, **Dr. Vibha Singh Chauhan**, and was well-received by teachers and students alike.

- 3. Trip to the National Gallery of Modern Art:** The society organized an educational trip to the gallery for the members to explore the depths of modern art and employ the knowledge gained into their work.

- 4. The Artwalk:** The society hosted an art walk with **Miranda House**' fine arts society 'Adwitiya' in association with **OnePlus**. The initiative was the first of its kind and was lauded by the participants as well as various other fine arts societies of the university.

5. **Founder's Day:** The society showcased their brilliant skills by putting up an exhibition on the college's Founder's Day. The chief guest and the Principal, along with various other alums, graced the exhibition and appreciated the members' skills which were apparent in their respective works. The chief guest talked of his admiration for both art and photography and offered to help promote the influence of said fields within the university.

6. **Perceptions:** The society organized its two-day annual event 'Perceptions' on the 20<sup>th</sup>-21<sup>st</sup> February 2020. It imitated every aspect of a professional exhibition and set a new standard for all art exhibitions across the university. The exhibition had various installations which illustrated the theme of social justice in their own way, stalls which sold customized bookmarks and postcards, a workshop by photographer Mr. Kunal Malhotra, and a plethora of competitions calling all the artists and photographers of the university to compete against each other. The event was highly acclaimed by the general audience, teachers and participants.

To summarize, the session of **2019-20** has seen a significant amelioration in all aspects of the society. We would like to express our heartfelt gratitude towards our Principal, **Dr. Vibha Singh Chauhan**, the society would not have had the requisite platform to work on which it currently has **Mr. Satyendra Kumar**, the convener of Cultural Council of our college, has been the light of our ambitions as we were provided ample opportunities through him. Lastly, we appreciate the efforts of **Harshit Kapoor**, president of the society during the session of **2019-20** and our post holders, **Yuvvraj Singh** (Vice President), **Ashita Sharma** and **Bhumika** (General Secretary).
