24.04.2024

<u>NOTICE</u>

All current undergraduate & post-graduation students of Semester II, IV and VI, who had filled the examination form for the upcoming examinations in May/June 2024, are advised to check if their exam forms have been verified by the college. They should also check if there are any wrong courses or wrong UPCs selected in their form. Particularly, they should check if any course selection mistakenly has UPC with OC. These need urgent correction as there cannot be any paper with OC code for the students of the current batches.

Any such error or cases of unverified forms should be brought to the notice of college administration at window no. 4 and 5 between 9.30 am to 12.30 pm and 2.00 pm to 3.00 pm till 6th May 2024 **all working days i.e. Monday to Friday.**

Any student who has paid the examination fees but it is not getting registered on the portal should immediately report the case to the nodal officer at <u>nodalofficerexam@kmc.du.ac.in</u>. Mention your name, examination roll number and attach the proof of payment along with the mail. Please do not make duplicate payments.
