A. GENERAL RULES FOR ALL STUDENTS

1. All students of Semester I are informed that the Course Allocation Form (CAF) for choosing GE and AEC courses will be available from **August 9, 2026**.

ERP Portal: <https://kmc.ac.in>

For Portal Issues, mail at: erp@kmc.du.ac.in

Last date to submit CAF: 11:59 pm, August 12, 2026

Date of Allotment on ERP: by August 16, 2026 (Tentative)

Students who do not submit their preferences by the final deadline will be assigned courses at the college's discretion. However, the responsibility for course allotment rests with the student. **No further allotments will be made after September 5, 2026.**

2. a) Elective Courses:

Generic Elective courses are meant to provide multidisciplinary or interdisciplinary education to students. These courses **form a pool** of courses offered by various disciplines of study, **excluding GEs offered by the student's parent/core discipline**, from which the student can choose.

Students of programs other than BA and BCOM programs must list **three (3) preferred GE courses** in order of priority. Post-allotment changes in GE will only be considered **within the three preferences** originally submitted by the student. However, no request for change in GE will be entertained after September 5, 2026. All students are therefore advised to regularly check the College website for further updates and important information.

b) Common Courses

SEC & VAC: Only during Semester I students will study the Skill Enhancement Courses (SEC) and Value Addition Courses (VAC) as assigned by the college

AEC: Students will be required to give preference as per eligibility requirements for a course.

A strict No Change policy will apply to SEC and VAC allotments.

3. The CAF will require students to acknowledge that
 - They are eligible for all the courses listed by them as their preferences.
 - They have **reviewed the syllabus** of all preferred courses, and
 - They understand that no changes in elective courses will be allowed after August 18, 2026, and that **strictly no changes** will be permitted in common courses.
