Dear Students,

We are pleased to announce the launch of our **ERP portal** for the collection of data in Discipline Specific Electives (DSE), and the common courses such Generic Electives Courses (GEC), Skill Enhancement Courses (SEC), Value Added Courses (VAC), and Ability Enhancement Courses (AEC).

This dynamic portal aims to streamline the process of course allocation and ensure efficient data management. All students are required to complete and submit their Course Allocation Form (CAF) through the ERP portal. Please note that if the CAF is not filled out and submitted by the deadline, the college will, at its discretion, allot the courses to you.

Important Details:

-Deadline for CAF Submission: **Saturday, July 26, 2025 (11.59 pm)**

-Portal Access: https://kmc.du.ac.in/kmcerp/public/login

-Grievance Email: For any issues related to the ERP portal, please contact us at erp@kmcollege.du.ac.in

Please read the detailed notices put up on the college website to help you to make the correct choices before you decide on course selection and filling out the CAF. There are three distinct notices for (i) Semester III – all Honours and B..Sc (Prog.) students, (ii) Semester III – B.Com and B.A (Prog). students, and (iii) All Semester V students.

We urge all students to adhere to the deadline and ensure that their forms are accurately filled out and submitted on time. Your cooperation in making this transition to the ERP portal successful is highly appreciated.

Thank you

Best regards,

Prof. Dinesh Khattar
Principal

NB: All the students are advised to read the relevant notices before filling out the CAF.

Attachments:

1. Notice for choice of GEC, SEC, VAC, AEC, and DSE on the ERP Portal for the students of **B.A. (Hons.), B.Com.(Hons.), B.Sc.(Hons.), and B.Sc.(Prog.) Semester III 2025**.
2. Notice for the choice of Common Courses (SEC, VAC, AEC, & GEC) on the ERP Portal for the students of **B.Com. & B.A. (Prog.) of Semester-III 2025**.
3. Notice for choice of DSE, GEC, and SEC on the ERP Portal for **all students of Sem. V 2025**.
4. **MEMORANDUM OF UNDERSTANDING (MOU)** for Internship, Apprenticeship, and Community Outreach program.
5. List of Courses offered in Semesters III and V.

1. **Notice for choice of GEC, SEC, VAC, AEC, and DSE on the ERP Portal for the students of B.A. (Hons.), B.Com.(Hons.), B.Sc.(Hons.), and B.Sc.(Prog.) Sem. III 2025.**

All the students of Semester III under UGCF, in Kirori Mal College, are required to submit their respective preferences for Generic Elective Courses (GEC-3), Skill Enhancement Courses (SEC-3), Value Addition Courses (VAC- 3), Ability Enhancement Courses (AEC-3), and Discipline Specific Electives (DSE-1) on the ERP Portal latest by **11:59 PM, Saturday, 26th July 2025.** Please note that the choices have to be made on the ERP Portal and not in any Google form.

IMPORTANT INSTRUCTIONS for STUDENTS :

1. Log into your ERP portal. You will see an option called COURSE SELECTION. After selecting that select your semester and whether you want to choose a DSE or a GE. Next, Click to Get Form.
2. Please carefully read this Notice and the instructions mentioned in the portal (at the beginning of various categories of selections) before filling up the form.
3. The form can be edited as many times till the set deadline (**11:59 PM, Wednesday, 26th July 2025**). However, after this deadline the form will be closed and no further editing will be possible.
4. You have to provide 3 choices in order of preference each for GEC, SEC, and VAC. The three choices **must be distinct** (that is the same course cannot be put in more than one preference order). None of the SEC and VAC course preferences can be courses already chosen in Semesters I or II. These choices are available in the drop-down lists. Though our attempt will be to provide the student's first choice, we may not always be able to do so, given the number of applicants in a course. So, please provide your second and third preferences with due consideration.
5. The college may provide a short window to allow requests for a change of courses, once the classes start, but approving any request for a change is entirely at the discretion of the college. Therefore, be careful in making the initial choices.
6. Generic Elective Courses (GECs) of a discipline are offered to the students who are not studying the discipline as one of their core courses (DSCs), as it is meant to provide multidisciplinary perspectives. So, you cannot opt for GECs offered by your parent/core department(s), and such options won't be available in the form.
7. In Semester III, you have the option of studying either a Generic Elective Course (GEC) **OR** a Discipline Specific Elective (DSE) Course offered by their parent/core department(s). You have to make the choice initially before the form opens. You can edit this choice till the form is open and not after that. A short window may be provided later to change this but that is entirely at the discretion of the college. So, try to make a reasoned choice now.
8. You can prefer to choose your SEC and VAC courses from those available in the cluster (that is not in the college). However, because of the uncertainty of cluster allocations, you are advised to first provide three preferences from the courses available in the college and then indicate whether you want yourself to be considered for cluster allocation. We will put up the list of courses available in the cluster (and the institutions offering them) once they are available. You can then be considered for applying to these courses. It is our advice to the students to try to take SEC or VAC courses available in the college as far as possible to avoid logistical complications.
9. Students can opt for either Internship, Apprenticeship, Community Outreach (IAC), or SEC from semesters 3 to 6. Students can opt for IAC in addition to or as an alternative to the SEC, under UGCF 2022, however, the number of seats for apprenticeship/internship training/community outreach is fixed. Students must upload a completed Memorandum of Understanding (MOU) if they wish to pursue IAC.
    a. As in SECs, any student from any department/program can opt for any IACs offered.
    b. Each category of IACs will be equivalent to 02 credits, like SECs.
    c. The total duration of the IACs shall be 60 hours in a semester.
    d. Students must read the guidelines before filling out the form
    https://www.du.ac.in/uploads/new-web/05092023_NEP_Guidelines.pdf

    Note that: As in point 8 above, in case you prefer IAC, you are still required to first provide three preferences from the SEC courses available in the college and then indicate that you want the IAC option.
10. There are some eligibility restrictions for certain courses (like Mathematics or Science till Class XII for some courses or doing the lower-level course before choosing the higher-level one for example one has to do Vedic Mathematics I before choosing Vedic Mathematics II). Please be careful about these restrictions and see if you are eligible to choose a course.
11. The choice of AEC in Semester III is determined by what you have chosen in your Semester 1. All students who had EVS I in Semester I (Arts and Commerce students) will have to

pursue EVS II in Semester III. All students (Sciences) who chose a language in Semester I, will have to pursue the same language (whether available in college or the cluster) and the same level (A/B/C) in Semester III. If a student had Hindi B in Semester I, s/he will have Hindi B in Semester III too. No change of language or level is permitted.

12. You are advised to go through the detailed syllabi and video links of all the GEC floated by the College at: https://kmc.du.ac.in/linkedpage/8/99/81/All/All
13. You are advised to go through the detailed syllabi and video links of all the SEC floated by the College at https://kmc.du.ac.in/linkedpage/8/99/82/All/All
    The complete list of SEC offered by the University of Delhi is also available at
    http://www.du.ac.in/uploads/new-web/21092022_SEC.pdf
    https://www.du.ac.in/uploads/new-web/10032023_71_Revised%20SEC%20Notification.pdf
14. Students are advised to go through the detailed syllabi and video links of all the VAC floated by the college at https://kmc.du.ac.in/linkedpage/8/99/103/All/All
    The complete list of VACs offered by the University of Delhi is also available at
    http://www.du.ac.in/uploads/new-web/26102022_VAC.pdf
    https://www.du.ac.in/uploads/new-web/22032023_77_VAC.pdf
    https://www.du.ac.in/uploads/new-web/22032023_77_VAC-digitalempowerment.pdf

Note that: For allotment to courses with high demand the college will adopt the policy of "**first-come-first-serve**". If a student fails to submit the **online** form by the notified last date, s/he will be allotted a course at the discretion of the college.

****

2. Notice for the choice of Common Courses (SEC, VAC, AEC, & GEC) on the ERP Portal for B.Com. and B.A. Prog. students of Semester-III 2025

All Semester III students of B.Com and BA (Prog.) under NEP-UGCF in Kirori Mal College please note that they are required to submit their respective preferences for Skill Enhancement Courses (SEC-3), Value Addition Courses (VAC- 3), Ability Enhancement Courses (AEC-3), and Generic Elective Courses (GEC-3) on the ERP Portal latest by **11:59 PM, Saturday, 26th July 2025.** Please note that the choices have to be made on the ERP Portal and not in any Google form.

IMPORTANT INSTRUCTIONS for STUDENTS:

1. Log into your ERP portal. You will see an option called COURSE SELECTION. After selecting that select your semester. The form will open after that.
2. Please carefully read this Notice and the instructions mentioned in the portal (at the beginning of various categories of selections) before filling up the form.
3. The form can be edited as many times till the set deadline (**11:59 PM, Saturday, 26th July 2025**). However, after this deadline the form will be closed and no further editing will be possible.
4. The college may provide a short window to allow requests for change of courses, once the classes start, but approving any request for a change is entirely at the discretion of the college. So, please be careful in making the initial choices.
5. BA Programme students will mandatorily pursue English GEC this semester (except for those who have English Discipline as a core subject). Students who have English Discipline as a core subject will have to choose from a dropdown list of Common Pool GECs except for the courses belonging to their two core disciplines. This is because Generic Elective Courses (GECs) of a discipline are offered to students who are not studying the discipline as one of their core courses (DSC). So, they cannot opt for GECs offered by their parent/core department(s) and such options won't be available in the form. So, BA programme students with English and Political Science as their core disciplines cannot choose English or Political Science as their GEC from the common pool. All such students opting for a GEC from the common pool have to provide three choices of GE courses in order of preference. Though our attempt will be to provide the student's first choice, we may not always be able to do so, given the number of applicants in a course. So, please provide your second and third preferences with due consideration. (The list of the GECs offered by the college is available as a dropdown list in the form).
6. All B.Com Programme students (except cases mentioned in the next point) will mandatorily pursue Hindi GEC this semester. The level at which they will pursue Hindi GEC will depend on the level to which they have studied Hindi in school. Please note that B.Com (Prog.) students, who have already pursued Hindi GEC in Semester I cannot change the level (A, B or C) in Semester III from what was earlier pursued in Semester I.
7. However all such students of B.Com. Programme and who have not studied Hindi up to Class VIII or beyond or have not studied it at all in school (including all foreign students) are to

choose their GEC from the common pool. These must be the same students who had opted for Common Pool GE in Semester I. However, while selecting their GEC from the common pool they cannot choose Commerce GEC because it is offered by their parent department. All such students opting for a GEC from the common pool have to provide three choices of GE courses in order of preference. Though our attempt will be to provide the student's first choice, we may not always be able to do so, given the number of applicants in a course. So, please provide your second and third preferences with due consideration. (The list of the GECs offered by the college is available as a dropdown list in the form.)

8. You have to provide 3 choices in order of preference each for SEC and VAC. The three choices must be distinct (that is the same course cannot be put in more than one preference order). None of the SEC and VAC course preferences can be the courses already chosen in Semesters I or II. The course-titles from which you have to choose are available in the drop down lists. Though our attempt will be to provide the student's first choice, we may not always be able to do so, given the number of applicants in a course. So, please provide your second and third preferences with due consideration.
9. You can prefer to choose your SEC and VAC courses from those available in the cluster (that is not in the college). However, because of the uncertainty of cluster allocations, you are advised to first provide three preferences from the courses available in the college and then indicate whether you want yourself to be considered for cluster allocation. We will put up the list of courses available in the cluster (and the institutions offering them) once they are available. You can then be considered for applying to these courses. It is our advice to the students to try to take SEC or VAC courses available in the college as far as possible to avoid logistical complications.
10. Students can opt for either Internship, Apprenticeship, Community Outreach (IAC) or SEC from semesters 3 to 6. Students can opt for IAC in addition to or as an alternative to the SEC, under UGCF 2022, however, the number of seats for apprenticeship/internship training/community outreach is fixed. Students must upload a completed Memorandum of Understanding (MOU) if they wish to pursue IAC.
    a. As in SECs, any student from any department/program can opt for any IACs offered.
    b. Each category of IACs will be equivalent to 02 credits, like SECs.
    c. The total duration of the IACs shall be 60 hours in a semester.
    d. Students must read the guidelines before filling out the form
    e. https://www.du.ac.in/uploads/new-web/05092023_NEP_Guidelines.pdf

    Note that: As in point 8 above, in case you prefer IAC, you are still required to first provide three preferences from the SEC courses available in the college and then indicate that you want the IAC option.
11. There are some eligibility restrictions for certain courses (like Mathematics or Science till Class XII for some courses or doing the lower-level course before choosing the higher-level one, for example, one has to do Vedic Mathematics I before choosing Vedic Mathematics II). Please be careful about these restrictions and see if you are eligible to choose a course.
12. The choice of AEC in Semester III is determined by what you have chosen in Semester 1. All students who had EVS I in Semester I (Arts and Commerce students) will have to pursue EVS II in Semester III. All students (Sciences) who chose a language in Semester I, will have to pursue the same language (whether available in college or the cluster) and the same level (A/B/C) in Semester III. If a student had Hindi B in Semester I, s/he will have Hindi B in Semester III too. No change of language or level is permitted.
13. You are advised to go through the detailed syllabi and video links of all the GEC floated by the College at: https://kmc.du.ac.in/linkedpage/8/99/81/All/All
14. You are advised to go through the detailed syllabi and video links of all the SEC floated by the College at https://kmc.du.ac.in/linkedpage/8/99/82/All/All

    The complete list of SEC offered by the University of Delhi is also available at
    http://www.du.ac.in/uploads/new-web/21092022_SEC.pdf
    https://www.du.ac.in/uploads/new-web/10032023_71_Revised%20SEC%20Notification.pdf
15. Students are advised to go through the detailed syllabi and video links of all the VAC floated by the college at https://kmc.du.ac.in/linkedpage/8/99/103/All/All

    The complete list of VACs offered by the University of Delhi is also available at
    http://www.du.ac.in/uploads/new-web/26102022_VAC.pdf
    https://www.du.ac.in/uploads/new-web/22032023_77_VAC.pdf
    https://www.du.ac.in/uploads/new-web/22032023_77_VAC-digitalempowerment.pdf

Note that: For allotment to courses with high demand the college will adopt the policy of "first-come-first-serve". If a student fails to submit the online form by the notified last date, s/he will be allotted a course at the discretion of the college.

****

3. **Notice for choice of DSE, GEC, and SEC on the ERP Portal for all students of Semester V 2025.**

All the students of Semester V under UGCF, in Kirori Mal College, are required to submit their respective preferences for Discipline Specific Electives (DSE-3), Generic Elective Courses (GEC-5), and Skill Enhancement Courses (SEC-5) on the ERP Portal by **11:59 PM, Saturday, 26th July 2025.** Please note that the choices have to be made on the ERP Portal and not in any Google form.

IMPORTANT INSTRUCTIONS for STUDENTS :

1. Log into your ERP portal. You will see an option called COURSE SELECTION. After selecting that select your semester and whether you want to choose a DSE or a GE. Next, Click to Get Form.
2. Please carefully read this Notice and the instructions mentioned in the portal (at the beginning of various categories of selections) before filling up the form.
3. The form can be edited as many times till the set deadline (**11:59 PM, Saturday, 26th July 2025**). However, after this deadline the form will be closed and no further editing will be possible.
4. The college may provide a short window to allow requests for a change of courses, once the classes start, but approving any request for a change is entirely at the discretion of the college. So, please be careful in making the initial choices.
5. All students of Semester V have to choose a DSE, a Common Pool GEC, and a SEC/ IAC this semester.
6. Please select a DSE from drop down list. **BA (Prog.) students** please note that they are free to choose a DSE from either of the two core disciplines that they are studying. However, they should keep in mind the total credits they are gathering in a discipline, in case they want to get a major degree in a discipline. Similarly, **B.Sc. (Prog.) students** can choose any DSE from the core disciplines they are studying, but they should also keep in mind the total credits they are gathering in a discipline in case they want to get a major degree in a discipline .
7. Generic Elective Courses (GECs) of a discipline are offered to the students who are not studying the discipline as one of their core courses (DSC), as it is meant to provide multidisciplinary perspectives. You cannot opt for GECs offered by your parent/core department(s), and such options won't be available in the form.
8. You have to provide three choices in order of preference, each for GEC and SEC. The 3 choices must be distinct (that is the same course, cannot be put in more than 1 preference order). None of the SEC course preferences can be courses already chosen in semesters I to IV. These choices are available in the drop-down lists. Though our attempt will be to provide the student's first choice, we may not always be able to do so, given the number of applicants in a course. So, please provide your second and third preferences with due consideration.
9. You can prefer to choose your SEC from those available in the cluster (that is not in the college). However, because of the uncertainty of cluster allocations, you are advised to first provide three preferences from the courses available in the college and then indicate whether you want yourself to be considered for cluster allocation. We will put up the list of courses available in the cluster (and the institutions offering them) once they are available. You can then be considered for applying to these courses. It is our advice to the students to try to take SEC courses available in the college as far as possible to avoid logistical complications.
10. Students can opt for either Internship, Apprenticeship, Community Outreach (IAC) or SEC from semesters 3 to 6. Students can opt for IAC in addition to or as an alternative to the SEC, under UGCF 2022, however, the number of seats for apprenticeship/internship training/community outreach is fixed. Students must upload a completed Memorandum of Understanding (MOU) if they wish to pursue IAC.
    a. As in SECs, any student from any department/program can opt for any IACs offered.
    b. Each category of IACs will be equivalent to 02 credits, like SECs.
    c. The total duration of the IACs shall be 60 hours in a semester.
    d. Students must read the guidelines before filling out the form
    https://www.du.ac.in/uploads/new-web/05092023_NEP_Guidelines.pdf

    Note that: As in point 8 above, in case you prefer IAC, you are still required to first provide three preferences from the SEC courses available in the college and then indicate that you want the IAC option.
11. There are some eligibility restrictions for certain courses (like Mathematics or Science till Class XII for some courses or doing the lower-level course before choosing the higher-level one for example one has to do IT Skill and Data Analysis I before choosing IT Skill and Data Analysis II). Please be careful about these restrictions and see if you are eligible to choose a course.
12. You are advised to go through the detailed syllabi and video links of all the GEC floated by the College at: https://kmc.du.ac.in/linkedpage/8/99/81/All/All
13. You are advised to go through the detailed syllabi and video links of all the SEC floated by the

College at https://kmc.du.ac.in/linkedpage/8/99/82/All/All
The complete list of SEC offered by the University of Delhi is also available at
http://www.du.ac.in/uploads/new-web/21092022_SEC.pdf
https://www.du.ac.in/uploads/new-web/10032023_71_Revised%20SEC%20Notification.pdf

Note that: For allotment to courses with high demand the college will adopt the policy of "**first- first-come-first-serve**". If a student fails to submit the **online** form by the notified last date, s/he will be allotted a course at the discretion of the college.

MEMORANDUM OF UNDERSTANDING (MOU)

KIRORI MAL COLLEGE
University of Delhi, Delhi-110007.

This Memorandum of Understanding (MOU) is entered into on [Date], by and between: [College Name], [College Address], [City, State, Pin Code], [Phone Number], [Email Address] and [Company Name], [Company Address], [City, State, Pin Code], [Phone Number], [Email Address]

Background:

This MOU establishes the terms and conditions for a short-term 60-hour internship/apprenticeship/community outreach program between [College Name] and [Company Name]. The purpose of this program is to provide undergraduate students with a brief but focused exposure to practical work experience related to their field of study.

I. Duration:

The internship/apprenticeship/community outreach program will consist of a total of 60 hours and is expected to be completed within [Start Date] to [End Date]. The specific schedule will be determined based on the availability of the student and the needs of [Company Name].

II. Objectives:

The primary objective of the 60-hour internship/apprenticeship/community outreach program is to strengthen a student's learning experience by integrating on-campus studies with closely related work experience as envisaged under NEP 2020. The objectives also include:

1. To provide students with an experience of the work environment in their field of study.
2. To introduce students to practical skills and applications within a short time frame.
3. To allow students to gain insight into the industry and potential career paths.

III. Responsibilities:

A. [College Name] agrees to:

1. Select qualified and motivated students for the 60-hour internship/apprenticeship/community outreach program.
2. Ensure that participating students have the necessary background for short-term engagement.
3. Collaborate with [Company Name] to monitor the progress of the intern/apprentice.
4. Award credit to participating students who have met the academic requirements of their program.

B. [Company Name] agrees to:

1. Provide a focused and informative work experience for the student.
2. Assign a mentor/supervisor to guide and support the intern/apprentice during the 60 hours.
3. Define clear roles, responsibilities, and learning objectives for the short-term program.
4. Conduct a final feedback session to evaluate the student's performance.

C. [Student Name] agrees to:

1. Attend the initial internship orientation meeting.
2. Continue enrollment in an approved certificate or degree program at the College while participating in a college-approved internship/apprenticeship/community outreach work experience placement.
3. Identify and write specific work performance and learning objectives relating the internship/apprenticeship work experience to his/her academic studies, for each semester enrolled in an internship education course.
4. Keep a Logbook of work activities and submit it to the faculty supervisor at mid-term and before end-semester exams. Prepare a final report summarizing the work experience or an alternative project approved by your Faculty IAC Advisor.
5. Participate in the evaluation process. Turn in the workbook and all other assignments to the faculty supervisor.

IV. Compensation:

If applicable, specify any financial compensation or benefits provided to the intern/apprentice during the 60-hour program.

V. Confidentiality:

Both parties agree to maintain the confidentiality of any proprietary or sensitive information shared during the internship/apprenticeship program.

VI. Termination:

Either party may terminate this MOU with written notice if there is a breach of the terms outlined herein or for any other justifiable reason.

VII. Amendments:

Any changes to this MOU must be made in writing and mutually agreed upon by both parties.

VIII. Governing Law:

This MOU shall be governed by and construed by the laws of [State].

I certify that I have read, understood, and received a copy of this Memorandum of Understanding

[College Name] Date
[Company Name] Date
[Faculty IAC Advisor] Date
