The screenshot shows a web browser window displaying the UGC-CARE Consortium website. The browser's address bar shows the URL ugccare.unipune.ac.in/Apps1/User/WebA/CAREList. The website header includes the UGC logo and the text "University Grants Commission Consortium for Academic and Research Ethics (UGC-CARE)". A navigation menu contains links for Home, About, UGC-CARE List, Feedback, FAQ, Resources, and Contact. A "Logout" button is also present. The main content area is titled "UGC-CARE List" and is divided into two columns. The left column, "UGC-CARE List Group I", describes journals qualified through UGC-CARE protocols and features a "Search" button. Below it is an "Alert" section with a red heading, stating that the UGC-Cell for Journal Analysis, Centre for Publication Ethics (CPE) at Savitribai Phule Pune University (SPPU), Pune, has notified of cloned and online versions of print-only, authentic Journals on its UGC-CARE List. The right column, "UGC-CARE List Group II", describes journals indexed in globally recognised databases and provides links for "Web of Science" (Arts & Humanities Citation Index, Science Citation Index Expanded, Social Sciences Citation Index) and "Scopus" (Scopus Source List). A link for "Delisted Journals from Group II" is also visible at the bottom of the right column. The browser's taskbar at the bottom shows the system tray with a temperature of 13°C, the language set to ENG, and the time 06:00.

10. How corrections can be made in the UGC-CARE List?
Any type of corrections or discrepancies found in the journal information in the UGC-CARE List can be communicated using [feedback option](#) available on the [UGC-CARE website](#).

11. How to submit complaint about a journal mentioned in the UGC-CARE List?
The UGC-CARE List is dynamic. The complaints or grievances regarding journal entries in the UGC-CARE List can be submitted using [feedback option](#) available on the [UGC-CARE website](#). No submission form for journals are entertained, if they are sent using [feedback option](#).

12. How to find a journal in a particular subject area?
You can use a subject search option available on the UGC-CARE list. The journals in the UGC-CARE List are classified according to [All Science Journal Classification](#) (ASJC) codes, which are created and maintained by Scopus (Elsevier Science).

13. Whether the journals indexed in different databases are part of the UGC-CARE List?
Journals indexed in globally accepted databases are part of UGC-CARE List Group II. No other databases are recognized by UGC-CARE.

14. What is the status of journals indexed in Web of Science or Scopus database in the UGC-CARE List?
Any journal indexed in Web of Science or Scopus database is the part of the of UGC-CARE List Group II. There is no need to submit such journals again for inclusion into the UGC-CARE List.

15. How to search the journals indexed in Web of Science or Scopus database on the UGC-CARE website?
You cannot search journals indexed in Web of Science or Scopus database directly on the UGC-CARE website but separate links to these databases are provided under Group II of the UGC-CARE List.
