1DGBn & 5DBn

**ANNUAL REPORT 2021-22**

For the past two years, Covid 19 has taken over the world with increasing intensity. With schools and colleges shut down for students, online classes and virtual meetings became the 'new normal'. In such unprecedented times, it was essential to not let the Pandemic stunt our growths as students, and therefore, NCC took it upon itself to ensure that.

The cadets of NCC not only continued offline drills, but also participated in online events. To promote a healthy lifestyle and ensure that people took care of their fitness even while staying at home, KMC's NCC cadets participated in the Yoga Day, cadets recorded themselves practicing and also participated in Fit India Movement to encourage healthy lifestyle among youth. The KMC cadets participated in many social activities like Blood donation, Cleanliness drive etc.

By conducting regular online sessions for the cadets throughout the Pandemic, KMC NCC ensured that Covid did not stop the progress of students, who were missing on the learning environment a college provides in physical form.

KMC NCC's continuous efforts were successful in ensuring that the cadets experienced holistic growth throughout the Pandemic until the college was physically reopened for letting better opportunities come in.
