3. Herbal Garden:

Medicinal plants play a very important role as the richest resource of drugs for traditional systems of medicines, nutraceuticals, modern medicines and folk medicines. They act as important pharmaceutical intermediates and chemical entities for synthetic drugs and are used by many ethnic groups as a source of medicine for the treatment of various ailments.

To sensitize the faculty, administrative staff, students and others in general Kirori Mal College has set up a herbal garden. There are many plants in the garden with medicinal properties: Giloy, Ocimum, Turmeric, Ginger, Lemongrass, Hibiscus, Eucalyptus, Castor, Datura, tamarind, Tridax, Citrus, Vinca, Castor, Cassia, Emblica, Madhuca, Mint, Ashvagandha, Henna, papaya, Cephalic, Sataver, Bel, Guava, Cheeku, Metha neem Madhunashmi, Centella, Cardamom and many more. Bioactive compounds isolated from plant extracts play a significant role in the treatment and prevention of several diseases. We are still in the process of developing a herbal garden.

5. Use of Bicycles/ Battery-powered vehicles: Although the campus is not motorable and is not big enough for bicycle usage yet the easy accessibility of the college from Vishwavidyalaya metro station has paved the way for the commutation by walks by most of the faculty members, staff and students. Also, a significant number of the members of the college fraternity use battery-powered vehicles to reach the college.

The college has the facility of Green Ride Last-Mile bicycle connectivity from Vishwavidyalaya Metro has reduced our carbon footprints on the environment and is gradually increasing the student's connectivity from Vishwavidyalaya Metro to college.

Sub: Introduction of GreenRide Public Bicycle Sharing Service

Dear Sir,

This is with reference to your proposal to provide GreenRide Public Bicycle Sharing Service to the college, the Building Committee at its meeting held on 16.5.2017 has accepted your proposal along with Terms and Conditions mentioned in the same. The additional concern of the college is that the Bicycle operator should not roam around in the college premises without prior permission from the Principal. Also the electricity bill for operating the Bicycle Stand will be paid by GreenRide Public Bicycle Sharing Service only.

Thanking you.

Yours sincerely,

(Dr. Dinesh Khattar)

iii. Ban on use of Plastic:

The college has also started working towards making the college campus a plastic-free zone. Usage of plastic glasses, spoons and plates and plastic flexes used during functions has been discouraged. Students are urged to take up responsibility for clearing up the venue after student festivals and events. All the sharp materials are placed in puncture-resistant bags to prevent injuries. To reduce the waste on campus, students are regularly educated/trained through lectures, advertisements, and various competitions.
