Efforts made by the college to provide inclusive environment for diverse socio economic background

- College has a tradition of fee concession for economically poorer section students in every academic year. This practice encourages the economically weaker section to get admission in this institute and which shows the social economics diversities among them. K M College maintains a fee concession committee and this committee supervise the proper implementation of the above practice. The following data reflect the socio economical spectrum of the college.

Member of fee concession committee, whose continuous effort create an opportunity for the socio economical weaker class of students in this college.
