**Important Notice**  
**Mentor-Mentee Attendance Record**

Dear colleagues,

I had requested all mentors to be kindly be in touch with their your student mentees at least once a week and maintain records for the same. These were to be sent to me earlier in April. I however find that very few teachers have sent these records. I am sure that you are in contact with your students and your mentees. It is equally important to put this on record. Not doing so produces the erroneous impression of teachers not maintaining contact with their students.

I am writing this to once again request you complete the mentor-Mentee record for the month of April, keep a copy of this for your reference, and send a copy of the same to me before 30 May 2020.

This is an ongoing activity and regular monthly records are to be maintained and submitted.

I would also like to let you know that it is due to the Mentor-Mentee records sent to me that we were able to get in touch with three students and provide them special assistance that they needed.

Thank you

Best regards

Vibha Singh Chauhan

Two members tried to work on the given format but found that they were not being able to either enter or type on the form. It was therefore decided that a Google form be circulated to Teachers-in-Charge who will further forward this to teachers teaching III year students. After a long discussion, it was decided that the details in the Google form will be submitted by the teachers to the college office by 5.00 pm tomorrow so that it could be forwarded to the University of Delhi.

It was also noted and decided that adequate care should be taken to not violate any copyright rules while making the above list. Only links of available online material, including books, must be provided. No content must be uploaded in the list.

2. **Internal Assessment:** The letter sent by the University of Delhi regarding Internal Assessment has already been circulated among all members of the staff. It was decided that the teachers will submit their Internal Assessment marks according to framework provided in this letter i.e. 20 marks will be given for Assignments and 5 marks for Attendance. The attendance will be calculated on the basis of the actual attendance of students before lockdown period. 100% attendance will be given to students for classes held during the lockdown period. The teachers will submit their Internal Assessment marks to the college office by 29 May 2020. This will be displayed on the college website for information of the students. Discrepancies, if any, must be submitted by students within the next three days. The complete data will be sent to the University by 03 June 2020.

The Principal also informed the members that teachers may visit the college according to their convenience to collect their attendance and assignment records. If any need is felt for formal approval, they may write to the Principal for the same. It is however, necessary for everyone to exercise all the preventive measures like wearing masks and maintaining social distancing which are essential in fight COVID-19.

3. **Mentor-mentee records:** The Principal requested all Teachers-in-charge to be in touch with their students. She also requested that all Mentors maintain and submit the Mentor-mentee records to the college office on regular basis.
4. **Any other matter:** It was decided that a separate meeting be called to discuss the Practical exams to be held at college.

The meeting ended with a vote of thanks to the chair.
