Ref. No. Dean (Exams.)/2017/

The Principal,

Sub: Online submission of Internal Assessment marks for the Undergraduate Examinations (Choice Based Credit System (CBCS), Three Year Undergraduate Programme and Erstwhile FYUP), May /June-2017

Dear Sir/Madam,

The Semester examinations for all Undergraduate Courses (Choice Based Credit System- CBCS, Three Year Undergraduate Programme and Erstwhile FYUP) are going to commence from 9th May, 2017 as per date sheet notified on the University Website.

As per the past practice, you are requested to send the marks of Internal Assessment of the students of your college online as and when the portal for the same is opened. **The last date for submission of the Internal Assessment marks online will be 22nd May, 2017 till 5.00 p.m.** Lines for uploading Internal Assessment marks shall be closed after 5.00 p.m.

The Hard Copy (printout) of Internal Assessment marks duly signed by the students shall be submitted to the EDP Cell, Room No. 203, Examination Wing along with the appropriate certificate (**enclosed**) duly signed by the members of the Internal Assessment Monitoring Committee of the College by 2nd June, 2017. Correction/modification, if any, in the internal assessment marks entered online must be communicated to the office of the O.S.D. (Examinations) immediately to avoid any inconsistency in the result of the student.

It may be ensured that the internal assessment marks are sent only after detailed checking and their appropriate moderation.

Your support and cooperation in submission of timely, accurate and complete information for all students from your college will help us in smooth processing of results.

With regards,

Dated 13.05.2020

To
The Dean/Head/Principal
Director SOL/NCWEB

Subject: Conduct of Internal Assessment (IA), Practical, Viva-Voce, Projects, Oral (Moot courts) Apprenticeship, Internship, Field Work etc. for 2019-20.

Sir/Madam,

The following procedure shall be followed for conduct of Internal Assessment, Practical, Viva-Voce, Projects, Oral (Moot courts), Apprenticeship, Internship, Field Work which are required for completion before the conduct of End Term Theory Examinations.

- **Internal Assessment:** Instead of the three existing components of Internal Assessment, viz., Class Tests, Tutorial Test and Attendance, only one component i.e. internal assignments will be carried out for the current semester. Internal assessment of the students should also be carried out using IT tools. Teacher should give the assignment to the students in prescribed format via e-mail. The student should submit the solved assignment to the teacher via e-mail in a defined time. The top of the Assignment Sheet must have Program name, Semester, Title of Paper and Name of the Student. After evaluation, respective teacher will submit the result of the same to the o/o the principal of the college and to the o/o the Head of the Department in the case of Post Graduation. Those who have already completed the process of internal assessment in the continuous form or as per existing rule in this regard are required to submit the same to the o/o the principal of the respective college. Attendance component in IA shall be considered full for the lockdown period and benefit should be granted to all students while calculating IA for each paper as per the distribution of marks.
- **Examination of Practical Courses:** The evaluation of Practical Examination, wherever applicable, will be in the 100% continuous evaluation mode. For Laboratory paper, teacher should give the assignment based on Experiments already performed through e-mail to the students. The student should submit the solved assignment to the teacher via e-mail in a stipulated time period. The name of Program, Semester, title of practical paper and name of the student should be mentioned at the top of the answer sheet by the student before submission.
- **Practical and Viva voce, Oral (Moot courts) Examinations:** For final and Intermediate semester/Term/Year students of all professional and technical programs, all such practical and viva voce as part of the requirements of the completion of degrees for final semester /Term/Year students should be conducted through Skype or other meeting apps.

UNIVERSITY OF DELHI

:2:

- **Conduct of Internship/Apprenticeship for all Semester/Term/Year:** Following measures in the view of COVID-19 shall be undertaken by all concerned as required for completion of degrees in professional/ technical course etc. wherever applicable:
 - 1) Students shall be allowed to take up online internship/ activities including activities that can be carried out digitally or otherwise from home.
 - 2) They can be engaged as interns in ongoing projects.
 - 3) The date for start can be delayed.
 - 4) The period of internship can be reduced clubbing with assignments etc.
- Evaluation of Dissertations of UG/PG programs is to be conducted by written assignments based on the work carried out by the students before the lockdown (i.e. March 20, 2020). Such evaluations are to be performed in the form of written assignments by the respective teacher through e-mails within a defined time period.
- In the present scenario, appropriate measure has to be adopted to facilitate the UG/PG students pursuing Projects/Dissertation, accordingly review-based/secondary data based projects or software driven projects shall be accepted by the college/ department instead of laboratory based experiments or field/ survey based assignments to these students.

All are requested to adhere to the above suggested guidelines to complete activities in time. Further, if the above activities have already been completed by your Faculty/Department/ College/Teaching Centre before closure of the University, you are requested to immediately send the requisite data to the Examination Branch as per existing practice.

You may contact at Telephone No. 011-27662832 and also send any query by e-mail to edpcellexam@gmail.com for any further clarification. The above activities should be completed latest by 03.06.2020.

Gmail - Notice for internal assessment

divyendu.du@gmail.com, hindurose9999@gmail.com, merajchem29@gmail.com, parveengahyan123@gmail.com, nehagupta2810@gmail.com, rohitbansal97@gmail.com, thakurshalini2000@gmail.com, kritikashyap19@gmail.com

Dear friends,

Kindly find attached a note prepared by Convener, Internal Assessment Committee, Saumyajit Bhattacharya in which he has written very clearly and simply the steps to be followed for uploading the Internal Assessment marks.

My thanks to him for doing this. Thanks are also due to Ajay Ranjan Singh for working with the software team to make the change in the form that serves our purpose in such a way that it does not get rejected by the existing software of the university.

The truth of the matter is that my thanks are due to all members of the staff for keeping in step with the changes being brought in and managing to put together data at very short notice.

Take care of yourself. Each one of you is precious.

Best wishes

Vibha S Chauhan

Internal Assessment Instructions 200520.docx

15K

20.05.2020

Dear Colleagues

The Dean (Examinations) in his letter dated 13.05.2020 has instructed us to modify the manner in which Internal Assessment has to be conducted and submitted this semester. Following that we are elaborating the method of carrying out internal assessment for the current semester:

- 1) Internal Assessment should be submitted in two different components – Assignment (20 marks) and Attendance (5 marks).
- 2) When you go to the internal assessment portal, log on and select courses and students as usual, you will find the Test column disabled. Only the assignment column will be active and of 20 maximum marks. Attendance data has to be filled as in the past but the attendance calculation will be different as indicated below.
- 3) If a teacher has already taken both the assignment (10 marks) and the test (10 marks), their marks should be added up and submitted compositely as Assignments (20 marks). If some students have missed the test, please take another assignment or suitably increase their assignment marks out of 20 since a re-test won't be possible.
- 4) If a teacher has taken an assignment already on 10 marks submit that by doubling the marks obtained (i.e. out of 20 marks)
- 5) If a teacher has taken only a test and not an assignment, the test can also qualify for submission as assignment for 20 marks. However, please make sure that if some students have missed the test they should be given chance to submit an assignment instead.
- 6) If a teacher has not taken any assessment (assignment or test) till now, please give an assignment (20 marks) to the students, which can be submitted through e-mail to the teacher by a specific date. Given that some students are at home without proper study material or they are in remote areas where access to internet may be uncertain, please give adequate choice and time. The students can either type the assignment in word file and mail it as an attachment or they can write in on paper and e-mail the scanned copy. Please instruct them clearly to write their name, roll number, semester, class and course-name on the first sheet of the assignment as well as their name in the filename of the word / pdf / jpg file they submit.
- 7) The attendance part will have two components. For the total lectures delivered add up (i) the actual classes held till the midterm break (LD1) and (ii) the hypothetical classes which would have been held in the period between 16 March to 15 May (LD2). For the lectures attended add up (i) the actual lecture attended by the student till the midterm break (LA1) and (ii) 100% of the hypothetical classes which would have been held in the period between 16 March to 15 May (LD2, that is the same as component (ii) of lectures delivered.) In other words, the **total lecture delivered should be LD1+LD2 and total lecture attended should be LA1 + LD2**. It is further suggested that because the period between March 16 and May 15, 2020 has 9 weeks and there are 4 schedules holidays in that period, we can calculate LD2 as $(9 \times 5 - 4) = 41$ classes for courses with 5 lectures a week and as $(9 \times 4 - 4) = 32$ classes for courses with 4 lectures a week. This could be followed by all teachers, unless they were on leave in this period.

So, for example, if for a 5 lecture per week course the actual lectures delivered before the break was 30 and a student had attended 20 of them, then Total LD = $30+41= 71$ and total lectures attended will be $20+41 = 61$.

Thank You
Vibha Singh Chauhan

NOTICE

If any teacher has not yet uploaded the internal assessment marks for Semesters IV and VI on the college I.A. portal, they are requested to do so, latest by 05.06.2021. This should be treated as most urgent.

26 July 2021

NOTICE

Dear Madam/Sir,

All colleagues teaching Semester II courses are requested to upload the internal assessment marks by **Sunday August 8, 2021**. The teachers are requested to strictly follow this deadline because the Internal Assessment Committee needs a few days to address any issues or anomalies before the last date for the college to submit the internal assessments to the University.

Like the previous semester, Internal Assessment will not have any attendance component and will be one single entry straight out of 25 marks (or 12 marks for a few courses).

Thank you

V. Chauhan
