Kartavya - The Civil Services society of Kirori Mal college, University of Delhi, successfully and popularly organized a meticulously designed e-quiz: 'ABHYAAS: THE GS QUIZ' on 19th and 20th July, 2020.

The organization of the quiz mirrored the vibrant commitment of Kartavya to endeavour relentlessly despite the adverse circumstances and gloomy dormancy of COVID19 times and remain proactive in catering to the academic interests of the UPSC aspirants, working passionately with camaraderie.

The UPSC Civil Services Exam Prelims pattern was followed for the quiz, which was categorised into 8 main topics i.e. current affairs; history of India and Indian National movement; Indian and World geography; Indian polity and governance; economic and social development; environment, ecology, biodiversity and climate change and general science.

Our tech team worked arduously to develop an intricate technical framework through the convenient and modified version of Google Forms for conducting the quiz, along with automated timer and instant certificate

disbursal system for participants. The quiz consisted of 35 GS and 5 CSAT questions of easy, moderate and hard levels, with 1 hr duration. The quiz was kept free to facilitate maximum participation, and remained open for one-time access by participant anytime on 19th or 20th July.

The triumph of the event is proven by its massive popularity with a whopping 270 registrations and 170 participants from universities across India, including several reputed institutions like IIT, National Law University, St. Xavier's and numerous colleges of University of Delhi.

On 21st July, the answer key with detailed analysis of all questions was released; and after 48 hours, the merit list was announced. The 1st rank was meritoriously triumphed by *Mr. Sachin Agarwal of Kirori Mal College* with 30 points; the 2nd rank was eminently secured by *Mr. Vanshit Kapoor of Kirori Mal College* with 30 points; and *Ms. Raveena Nehra of Miranda House* admirably attained the 3rd rank with 29 points. Eight other students who scored 27 to 30 points were rewarded with the certificate of appreciation.

The quiz was a definite success and this endeavour by team ABHYAAS, Kartavya was tremendously appreciated by the participants from all over India. Our technical skills to organize this digital event also won admiration and attracted curiosity of many other societies. Indeed, this effort by Kartavya in these quiescent times has set a new precedent for societies in our Campus. Kartavya is proud of its new (digital) feather in its hat.
