The National Service Scheme, Kirori Mal College Unit has been working through the University of Delhi under the Ministry of Youth Affairs and Sports (MoYAS), Govt. of India since its launch in 1969.

The strength of the NSS-KMC Unit is envisioned in our tagline, "Sahas se Sahyog Karein," which means that the only way to witness the bravest changes is by promoting cooperation among the people around us. Currently, the NSS-KMC Unit is working on two projects:

SAHAS: EMPOWERING WOMEN is focused on empowering and uplifting the women of society. At Project Sahas, we respect every woman on this planet and firmly believe that there is a pressing need to ensure gender equality in all aspects of life to ensure social justice, peace, and security.

SAHYOG: SHARING SMILES, on the other hand, is making a significant impact on the lives of the future of the nation through the Each One Teach One Programme, where we work on the holistic development of the students who belong to the adopted village area, Chandrawal, situated in Kamla Nagar, New Delhi.

All the volunteers participate in the unit activities conducted year-round and identify themselves as more focused, responsible, and accountable citizens.

Other than working collectively for the development of both projects with full dedication, we also organise several yearly and monthly events so as to ensure the holistic development of our volunteers, like cleanliness drives, plantation drives, awareness drives, blood donation camps, stationary and book donation drives, health checkup camps, dental camps, pride parades, Umang: the annual sports and cultural meet for the Sahyog students, Kirori Mal Women Conclave, Kirori Mal Youth Parliament, NSS Founders Day, and a lot more. The Society provides the services of a trained counsellor. A primary objective of the Society is to create an atmosphere free of gender discrimination on campus. The Forum holds bi-weekly meetings on various issues related to gender, for example, sexual violence, harassment, socialization, patriarchy, femininity, masculinity and so forth. These meetings are intense, engaging and productive in terms of developing an understanding of social realities and the necessity of social change. The Forum also organizes specialized closed-group workshops for members on issues of gender-based violence. Parivartan looks forward to an

enthusiastic year in the next session, fuelled by the commendable interest and responsibility taken by the students belonging to all batches in previous years.

CULTURAL SOCIETIES

Kirori Mal College has a distinguished history of sustained cultural activity in drama, debate, music, fine arts, photography, dance and film. These activities are organized through our cultural societies, THE PLAYERS, DEBSOC, MUSOC, FAPS, SENSATION and THE FILM SOCIETY.

THE PLAYERS

THE PLAYERS is a leading campus theatre group in Delhi, with an impressive record of exciting and varied activity throughout its 68-year history. Its members receive hands-on training in varied theatre arts. Players alumni have made a mark in theatre, cinema, television and related fields. MUSOC is a dominant presence in the university in both classical and light music. With its members excelling in both individual and chorus performances, it has won accolades and made a distinctive mark

wherever its members have performed. MUSOC is one group that covers Indian, Western and Fusion events, unlike most other music groups that have separate Indian and Western group. MUSOC performances are appreciated a lot both in and outside of the Delhi University circuit.

FINE ARTS & PHOTOGRAPHY SOCIETY

FAPS has built up an impressive record of creative work in fine arts and photography in the campus circuit. It hosts its annual fest and exhibition- Perceptions- every year. These events have gathered overwhelming response from prestigious colleges from all over Delhi and outside.

SENSATION THE DANCE SOCIETY

SENSATION impresses audiences with its talent and professional ability wherever it performs. The society comprises groups that use western as well as Indian-fusion dance idioms including a wide variety of dance forms like Hip-Hop, B-boying, Contemporary and Indo jazz.

THE FILM SOCIETY

The FILM SOCIETY exposes students to a rich variety of cinematic work and critical perspectives on cinema. The Film Society is very active throughout the year. It screens a wide repertoire of films ranging from Indian and foreign films, old classics and contemporary films to documentary and feature films. The films have always been enjoyed by the audience and lively discussions follow most of the screenings. The Society also organizes workshops for film making in which our students participate. We hope to carry on this endeavour and build up adequate infrastructural support so that our members can venture into short film making this year.

SPIC MACAY

The Society for the Promotion of Indian Classical Music And Culture Amongst Youth, often known by its initials SPIC MACAY, is not just a non-profit organization which promotes Indian classical music, Indian classical dance, and other aspects of Indian culture, it is a movement with chapters in over 300 towns and cities all over the world. In order to achieve its goals, SPIC MACAY organizes concerts, lectures, demonstrations, informal discussions, and seminars. These are hosted by local chapters of the organization. The SPIC MACAY chapter of the college co-ordinates with the parent body to organize cultural performances by artists of national eminence. NORTH-EAST STUDENTS' CELL

The Northeast Students' Cell of Kirori Mal College was set up on 14th October, 2015 by a resolution of the Staff Council. A sizeable number of students from the Northeast India are enrolled in the college in both the under-graduate and post-graduate programmes. The Northeast

Students' Cell (NESC) is one of the most vibrant cells of Kirori Mal College. During the previous academic year (2022-2023) the NESC organized an educational seminar on the economic and academic challenges faced by the northeast students on 17th October 2022. Further a movie screening in collaboration with montage was also organized on 2nd February 2023. Three major events, i.e. Culina- The Northeast Food Fest, 8THNICA, and the NESSDU Sports Meet were also successfully organized by the NESC during the previous academic year. Over 30 colleges for Delhi University participated in the above events.

The Cell intends to be an active forum in the future, facilitating the exchange of ideas, culture, tradition, and diverse value system which in turn will help the students in realizing their true potential and shaping them into good citizens.

STUDENTS' UNION

The Students' Union is the premier student body of the college. It provides a platform to the students to enhance their leadership qualities and political abilities. Its primary objective is to raise students' issues and redress students' grievances. All the students of the college automatically become members of the Students' Union. An election is held to elect the President, General Secretary and other office bearers of the union. The Students' Union starts its activities with the 'Freshers Take-off' in the month of September. It also hosts its Annual Cultural Festival, "Renaissance".

EQUAL OPPORTUNITY CELL

Keeping in mind the need to create a more just society for India's historically marginalized sections, its religious minorities, women, persons with disabilities et al, the college has set up an Equal Opportunity Cell. The need for such a cell at this level comes from the understanding that higher education is a tool for attaining social and economic equality. The Cell aims to address the issue of access and

equality while ensuring the standard of quality and relevance of education by implementing policies of the Government of India and promoting several schemes and programs for the disadvantaged groups that would help in eliminating social disparities.

The primary function of the Equal Opportunity Cell is to oversee the effective implementation of policies and programs for disadvantaged groups, to provide guidance and counselling with respect to academic, financial, social and other matters and to enhance diversity within the college campus. The range of activities includes sensitization programs, English language proficiency programs, remedial classes and other academic related activities. Students (either individually or in a group) can freely approach the Cell to seek resolution of their problems and grievances.

ALUMNI ASSOCIATION

An alumni association was constituted in Kirori Mal College in October 2015. Through this the college aims to associate with all those students who have passed out of the institution and are now contributing in different realms of civil society. The association will not only inspire students to excel but also inspire the alumni to contribute to the development of the college.

ANNUAL MAGAZINE COMMITTEE

NEW OUTLOOK: नई दृष्टि, the Annual Magazine of Kirori Mal College, is one of the hallmarks of the College that represents in its pages every unit of the Institute. It is a platform from where each and every individual has the freedom to voice his/her opinion. It functions through a very creative and bright group of student editors of multifarious talents selected on their merit along with a team of committed faculty members who are their mentors. It is a podium where graphic aficionados can express themselves, and where academic as well as extracurricular achievements are celebrated. The greatest honour for

AMCatKMC (Annual Magazine Committee at Kirori Mal College) is to make audible the hitherto unheard voices, to ensure that no talent goes unheeded, and to provide space for untapped potential. It holds its event called Meraki: A Creative Aura and the Festival Raso Vai Sah (रसो वै सः) in the odd and even semesters respectively apart from many other significant activities throughout the year. Also, it has a very active presence on social media through its official YouTube channel, Facebook and Instagram pages.

The magazine, condensed and compressed within some folios, thus, presents a glimpse of the myriad forms of excellence the College nurtures in every academic year. Every edition of “New Outlook: नई दृष्टि” is released on the Annual Day when the awards for the outstanding category is given from the Student Editorial Board: First, Amitabh Bachchan Award for the Versatile Genius of Outstanding Performance, and Second, Jagdish C Mathur Award for the Student of the Year as the Best Editor. There are other categories of awards which are given to the students in the AMCatKMC’s exclusive event. They are: Graphic Awards—Leonardo da Vinci Award for the Front Cover, Vincent van Gogh Award for the Back Cover, Amrita Sher-Gil Award for the Best Contribution in Art Gallery; Academic Awards—Kalidāsa Award for Tattva-Mīmāṃsā (Sanskrit Section), Rabindranath Tagore Award for Krishti (Bangla Section), Kaifi Azmi Award for Nikahat-e-Gul (Urdu Section), Dr. Harivansh Rai Bachchan Award for Shabd-Darshan (Hindi Section), RK Narayan Award for Pensamiento (English Section), Kautilya Award for Vānijya Vāni (Commerce Section), Dr. BR Ambedkar Award for Mānviki Prakoshtha (Social Science Section), and Dr. APJ Abdul Kalam Award for Experimental Lore (Science Section).

The AMCatKMC is, thus, a modus operandi that publishes the annual magazine which, like a kaleidoscope, reflects all the hues and colours of the College in all its exuberance and diversity.
