

# **SENSATION- THE DANCE SOCIETY**

## **ANNUAL REPORT 2021-22**

Sensation organized itself into a formal extra-curricular society in the year 2000 with a vision of creating a space for students to honour and exhibit their passion for dance. Since its birth, it has tried creating a legacy by competing in more than 50 institutions (pan-India) every year and has always made it in the top 3 lists of the Delhi University dance circuit. Sensation is known for its creativity in the dance pieces and the montages that we create on stage. All of this becomes possible only by the blood, sweat and hard work of long hours of practice and dedication of the students.

Sensation comprises of two wings namely the Choreography Wing and the Western Wing. Both the wings prepare their separate productions every year and work on different dance forms. The Western Wing focuses on dance styles such as popping, jazz, etc while the Choreography wing focuses on the contemporary dance style.

We began our session for the year 2021-22 with 27 students in January 2021. The period of Lockdown has been tough for the society. Yet students did manage to send in solo and group entries in the competitions that were held in the online mode. Online practices were being held on a regular basis and dance kept every member well connected throughout the tough times.

The office bearers performed beyond expectations at their respective designations. While the senior participants were the forerunners of leading the society, the fresh entrants optimized upon their opportunity to be trained as professional dancers. Due to the continued perseverance of senior members, Sensation has become one of the finest societies of Delhi University and it is sure to prove its mettle in the future with the support of the college management and under the mentorship of the faculty members.
