NCC ANNUAL REPORT 2019-2020

Extension activities organized

SAWACHHTA PAKWADA 2019

History tells us that no movement has never been successful anywhere in the world without the involvement of youth particularly the students. Same is the case of *Swachh Bharat Abhiyan* where the youth is willing to break the shackles of status-quo and carve out something better, something greater. To help in achieve this cause KMC NCC has organized the Swachhta Pakhwada 2019 from 17th September to 2nd October, 2019.

Realizing that it is a must for *Swachh Bharat Abhiyan* to be successful if we wish to survive as a society and aim to become a developed country. KMC NCC used the ability of potential minds with fresh ideas and tremendous ability to fail because perseverance is so very essential and only a young mind, in howsoever old a body, can bounce back from failures.

An interactive session with college students and cadets was being organized along with the mass rally on cleanliness drive in different parts of the college premises. Also essay writing, poster making, slogan writing was organized by the college and the cadets enthusiastically took part in it to spread the awareness in common masses. Around 60 candidates from our college took part in it. The cadets interacted with the college students, asked about their viewpoints on how to solve the issue and make the movement successful. The students realized their role as the real ambassadors of the country and made the Pakhwada a great success.
