

Date: 31.08.2022

**NOTICE**

**For all students of B.A. (Hons)/B.Sc. (Hons)/B.Com. (Hons) for semester-III**

**Choice of Generic Elective Course (GEC)**

All students of Semester III in B.A. (Hons)/B.Sc. (Hons)/B.Com.(Hons) in Kirori Mal College are required to submit online their preferences for Generic Elective (GE) courses, offered by the college, latest by Saturday, 3<sup>rd</sup> September 2022 in a prescribed e-form accessible at the Kirori Mal College website at the following link:

<https://forms.gle/G96PEjGnGCXYiJQb6>

**Important Instructions:**

- 1. The students should carefully fill the form because this form can be submitted only once. Care should be taken in correctly mentioning the name, college roll number, department (in which the student has taken admission), e-mail id and phone number (please provide an active phone number).**
- 2. Students are advised to provide three choices of GE courses in order of preference. Though our attempt will be to provide the student's first choice, we may not be able to do so, given the number of applicants in a course. (The list of the GECs offered by the college is mentioned below and also available as a dropdown list in the form.)**
- 3. The choice of GE course in the third semester is independent of the choices made in the earlier semesters. All students should fill the form irrespective of whether they intend to choose the same subject as their GE, as in the last semester, or not.**
- 4. The students of a particular Honours department will not be allowed to choose the GE course offered by the same department. For example, the students of B.Sc. (Hons.) Chemistry are not allowed to choose the GE course offered by the Chemistry department.**
- 5. If a student fails to submit the online form by the notified last date, she/he may be allotted a course at the discretion of the college.**
